Must have seen, güçlü bir çıkarım (deduction) belirtir. Burada geçmişteki yaygın bir inançtan bahsedildiği için used to daha uygundur.

B) saw / had begun Gördü / başlamıştı

C) see / has begun Görür / başlamıştır

Türkçe Çevirisi ve Seçenek Anlamları

Büyük dil modellerinin tam etik çıkarımlarını kavramak, sorumlu bir geliştirmenin ön koşuludur; ancak yapay zekâ araştırmalarındaki hızlı ilerleme göz önüne alındığında, düzenleyiciler çok hızlı bir şekilde eskimesinler diye yönergeler oluşturmakta zorlanıyor.

Bu soruda:

1. **Cümlelerin Öznesi:** Bir eylemi cümlelerin öznesi olarak kullanmak için **Gerund (V-ing)** kullanımı en yaygın ve doğru tercih olur.
2. **Amaç İfadesi:** "**So that**" bağlacından sonra, gerçekleşmesi istenen amacı belirtmek için genellikle **modal (can/may/will) + yalın fiil** veya **Geniş Zaman** kullanılır. Burada "eskimesinler" anlamı için "**do not become outdated**" yapısı bağlama en uygun olanıdır.

Açıklama

A) To have grasped / ~~have not become~~ / would have v3

Kavramış olmak / eskimedi

İlk kısım zaman uyumuna aykırı; ikinci kısım amaç için doğal bir ifade değil.

B) Grasping / do not become

Kavramak / eskimesinler (DOĞRU)

İlk kısım, cümlelerin öznesi olarak Gerund (Grasping) yapısını kullanır. İkinci kısım, "so that" (amacı belirtir) sonrasında Geniş Zaman (do not become) yapısı, yönergelerin genel amacını ifade etmek için en doğru yapıdır.

C) To be grasping / are not becoming

Kavramakta olmak / eskimiyorlar

To be grasping (devam eden eylem) uygun değil; ikinci kısım amaç yapısında yetersiz.

D) Having grasped / became

Kavramış olarak / eskidi

Having grasped uygun değil; ikinci kısım zaman uyumuna aykırı ve amaç belirtmez.

E) To grasp / had to become

Kavramak / eskimek zorundaydı

To grasp bir özne olabilir ancak had to become (zorunluluk) anlamsızdır.
