

Hospitable

Inhabitable

Welcome

Some of the planets are inhospitable, **so** it is impossible to find life there; **however**, astronomers and scientists have been looking for life in those planets.

Although north and south **poles** are uninhabitable, many countries have claimed some parts of these extreme environments to conduct scientific researches.

The coach of the team dismissed the player **since** his performance was disappointing, but **due to** the pressure from the fans, he **had to** take him back.

You do not **have to** put up with the annoying behaviours of your colleagues as they have no right to irritate you.

The rescue workers started a last but futile effort to find the victims of the plane crash.

The inhabitants of the village **that were the most hostile people I had ever met** did not help us to find the location of the cave **where prehistoric wall paintings had been discovered**.

I have a nasty feeling.

Though my grandfather had a formidable appearance, he was actually a polite man **who never hurt anybody's feelings.**

Travelling in the forest in the dark is a horrifying experience as you can never be sure what is going on around you.

You should not use damaged charging cables since they may cause a fire which can destroy your house.

Damaging = zararlı

Malignant tumour

Benign tumour

Wicked smile

Doctors have **managed to** remove a malignant tumour from his lungs successfully, so the recovery period will be more comfortable.

If you want to earn more money, you need to find a decent job.

Abuse(v) = istismaretmek

Abusive behaviours towards children should not be tolerated because it is government's duty to protect innocent children.

Using animals in drug tests is considered to be unethical by some people since they think that the animals cannot defend or protect themselves against human beings.

Increasing speed limits on highways will be detrimental to human life as our roads are not good enough to travel faster than the current speed limit (one).

Hinder = hamper = obstruct

The doctors in the emergency unit could take out the obstructive substance from the child's throat.

Lethal injection has been used in execution in the US.

Will have V3 = by + future tarih / by the time + present

Cümle

When, while, as, just as, after, before, as soon as, until

Once = bu kelimelerle yazılan cümlelerde have v3

Kullanılacaksa, bu tense bu kelimelerin tarafında olur

When you **have finished** the report, you can leave.

PRESENT TENSE	when	PRESENT TENSE
PRESENT MODAL	while	PRESENT MODAL
FUTURE	after	
	before	
	as soon as	
PAST TENSELER	until	PAST TENSELER
	as	
	just as	
	once	

EASY = SIFAT + TO V0

Overrate X underrate

Underline = altını çizmek

Overestimate X underestimate

Why do you say so?

Take over = ele geçirmek, satın almak

He predicts (that) robots.....

Adapt to

I don't trust him at all.
