Text: The Gallipoli Campaign

The Gallipoli Campaign, also known as the Battle of Çanakkale, was one of the most important events in Turkish history. It took place during World War I between April 25, 1915, and January 9, 1916. The Allied Powers, including Britain and France, wanted to take control of the Dardanelles Strait to reach Istanbul and weaken the Ottoman Empire.

However, the Ottoman forces, led by commanders like Mustafa Kemal (later known as Atatürk), defended the area with great bravery. Turkish soldiers fought in difficult conditions but never gave up. Mustafa Kemal's famous order, I am not ordering you to attack, I am ordering you to die, inspired his troops to stand firm.

The campaign ended with a victory for the Ottoman Empire. It became a symbol of courage and determination for the Turkish people. Today, the Gallipoli Peninsula is a national park and a place of remembrance for those who gave their lives.

Metin: Çanakkale Savaşı

Çanakkale Savaşı, diğer adıyla Gelibolu Muharebesi, Türk tarihinin en önemli olaylarından biridir. Bu savaş, I. Dünya Savaşı sırasında 25 Nisan 1915 ile 9 Ocak 1916 tarihleri arasında gerçekleşti. İngiltere ve Fransa gibi İtilaf Devletleri, Osmanlı İmparatorluğu'nu zayıflatmak ve İstanbul'a ulaşmak için Çanakkale Boğazı'nı ele geçirmek istediler.

Ancak, Mustafa Kemal (daha sonra Atatürk olarak bilinecek) gibi komutanların liderliğindeki Osmanlı kuvvetleri bölgeyi büyük bir cesaretle savundu. Türk askerleri zor koşullarda savaştı ama asla pes etmedi. Mustafa Kemal'in ünlü emri, Ben size taarruzu değil, ölmeyi emrediyorum, askerlerini kararlı bir şekilde savunmaya teşvik etti.

Savaş, Osmanlı İmparatorluğu'nun zaferiyle sonuçlandı. Türk halkı için cesaretin ve kararlılığın bir sembolü oldu. Bugün Gelibolu Yarımadası, bu savaşta hayatını kaybedenleri anmak için bir milli park olarak korunmaktadır.
