Bebekler, agulamaktan anlamaya giden yolculukları sırasında, dili kavramak için doğuştan gelen güçlü bir güdüye sahiptir.

Dil becerileri gelişince, daha geniş öğrenme alanlarına açılan bir kanal haline gelir, ki bu/bu ihtiyaçlarını ifade etmelerini ve dünyalarında gezinmelerini sağlar.

Konuşma ve dilde yeterlilik yalnızca bilişsel alanların kilidini açmakla kalmaz, aynı zamanda problem çözme, sosyal ustalık ve duygusal düzenlemeyi teşvik ederek bütünsel gelişim için sağlam bir temel oluşturur.

Bu nedenle, her etkileşimin büyümeye için bir katalizör görevi gördüğü, dil edinimine elverişli bir ortamı beslemek çok önemli hale gelir.

Dil açısından zengin bir ortam yalnızca iletişim becerilerini beslemekle kalmaz, aynı zamanda hayal gücünü ve fiziksel keşfi de besleyerek oyun ve öğrenmeyi sorunsuz bir şekilde harmanlar.

Cok yönlü kaynaklar, tabelalar ve açık hava girişimleri aracılığıyla dili fiziksel manzaraya dahil etmek, dilsel maruziyeti/ maruz kalma oranını artırır.

Buna ek olarak, duygusal ortamın çok önemli rolünü kabul etmek zorunludur, çünkü bu ortam bir çocuğun öğrenme serüveninin/sürecinin yörüngesini şekillendirir.

Hem fiziksel hem de duygusal alanlarla ilgilenederek, çocukların dilsel beceriye, ustalıkla ve genel olarak gelişmeye doğru iten bir ortam düzenleyebiliriz.
