

## Too / Aşırılık Bildirme ve Enough / Yeterlilik

We use "too" and "enough" to talk about **how much** or **how little** of something there is — if it is **too much**, **too little**, or **sufficient**.

✓ Enough = yeterli *küf.*

✗ Too = çok fazla (olumsuz anlamda)

### ✓ 1. TOO (+ adjective/adverb)

**Too** means: **more than necessary, more than good**  
(*Too = gereğinden fazla, aşırı*)

❖ Structure:

♦ too + **adjective**

♦ too + **adverb**

❖ Examples:

- This bag is **too heavy**. *(Bu çanta çok ağır.)* very heavy.
- He speaks **too fast**. *(Çok hızlı konuşuyor.)*
- It's **too cold** to swim. *(Yüzmek için çok soğuk.)* =yüzülemeyecek kadar soğuk

### ✓ 2. ENOUGH (+ noun / adjective)

**Enough** means: **sufficient, just right**  
(*Enough = yeterli*)

❖ Structures:

♦ enough + **noun**  
♦ **adjective** + enough

❖ Examples:

- We have **enough water**. *(Yeterince suyumuz var.)*
- She is **strong enough** to carry the box. *(Kutuyu taşıယacak kadar güçlü.)*
- Do we have **enough chairs**? *(Yeterince sandalye var mı?)*
