Deliberation (noun)**Definition:**

Careful thought or discussion, especially before making an important decision.

C2-Level Usage Example:

The committee's decision was reached after hours of careful deliberation, weighing the ethical, financial, and social consequences of the proposal.

Common Collocations:

- after much deliberation
- deliberate decision
- legal deliberations
- in the process of deliberation

Synonyms:

- contemplation
- consideration
- reflection
- discussion
- thoughtfulness

Turkish Translation:

☞ **Deliberation** = müzakere, üzerinde düşünme,
tartışma

Attrition (noun)**Definition:**

A gradual reduction in number, strength, or effectiveness through sustained pressure, loss, or wear.

■ C2-Level Example Sentences:

- *The company experienced significant staff attrition due to poor management and lack of career development opportunities.*
- *Language attrition occurs when bilingual speakers gradually lose proficiency in one of their languages from lack of use.*

📖 Synonyms:

- Erosion
- Wearing down
- Weakening
- Reduction
- Decline
- Deterioration (contextual)

📖 Common Contexts:

- **Military:** gradual loss of personnel or resources in conflict
- **Business:** employee turnover
- **Sociolinguistics:** language loss
- **Marketing/Customer Retention:**
- customer attrition = losing clients over time

TR Turkish Translation:

🔑 Attrition = yıpranma, azalma, aşınma, tükenme
